PATHWAY TO CERTIFICATION – Do not submit

1) Check Prerequisites

- Check prerequisites for the course/clinic you are applying to attend in the current printing of Policies and Procedures available at www.lifesaving.org

Note: Swim Instructor and Lifesaving Instructor do not require an application to attend.

2) Application Process

- Submit application to the Lifesaving Society
- If you have all pre-requisites and are approved to take the course / clinic you will be sent a confirmation letter
- If you are not approved a letter will be sent indicating why approval was not granted

3) Find a Course/Clinic

Refer to the AB/NNWT Event Calendar at www.lifesaving.org for upcoming courses and clinics. Registration for Branch facilitated courses/clinics will be completed online. Courses/clinics hosted by affiliate delivery partners will have registration information in the Courses section of the Society website www.lifesaving.org.

4) Certification Process

- Successfully complete the course/clinic:
 - o Attend 100% of the course/clinic
 - o Meet all performance criteria
- Once the course/clinic test sheet has been received and processed by the Society a certification card may be issued and mailed and you may be eligible to complete the program practicum(s) (if required)

5) Practicum Process – Required for clinics

- Submit Practicum Application Form to the Society (minimum of two weeks in advance)
- A letter or email will be sent indicating whether the practicum has been approved
- Successfully complete practicum by:
 - o Participating in planning, evaluation and teaching sessions for the course
 - o Teaching a minimum of 50% of the course/clinic content
 - o Meet all evaluation criteria
 - o Submit Monitoring Form
- Once the Monitoring Form has been received and processed by the Society a certification card will be issued and mailed
