

# Job Description: Lifesaving Society Coach

## Purpose

Coaches are responsible for training athletes for Lifesaving Sport.

## Certification

Certified by the Lifesaving Society for a two-year term; may re-certify for additional two-year terms through the Society's recertification process.

## Reporting Relationship

To the Lifesaving Society.

## Responsibilities

Lifesaving Society Coaches

1. Coach and train athletes to participate in Lifesaving Society Sport programs and sanctioned competition:
  - in the topical streams in which they are appropriately qualified, and
  - in accordance with the policies, procedures and standards of the Society and the Leadership Code of Conduct.
2. Complete all administrative requirements in a timely manner including test sheets.
3. Attend coach workshops and clinics as required.
