

Buddy's Checklist

Please make sure the following things have been done before using Buddy at your big event.

Have you:

- Frozen the ice packs
- Installed the battery pack and checked the fan
- Organized an area for Buddy to change during your event
- Noticed the “body suit” that your Buddy volunteer can wear to protect themselves and help Buddy stay cleaner
- Found a chaperon for Buddy
- Removed the eye coverings
- Read through the handbook – including mascot etiquette
- Scheduled breaks for Buddy and arranged to have water nearby in case of dehydration
- Appointed someone to hand out brochures and Buddy catchers to patrons during your event
- Allowed time for your Buddy volunteer to practice moving around in the costume
- Adjusted all costume pieces to fit the person wearing them. For example, the head straps on the helmet can be adjusted to fit the head of the person wearing it
