SERVICE DISRUPTIONS:

We are currently experiencing service disruptions due to supply chain issues and isolation requirements impacting staffing levels. We recommend that facilities place orders well in advance as it may take longer to receive them.

In addition to order delays, there may be delays in test sheet processing; please ensure you are providing interim cards to candidates. Digital certifications will be available immediately upon award processing.

AFFILIATE RENEWALS

It's that time of year again - affiliate renewal time! Municipalities, YMCA's, and pools will automatically be renewed - keep an eye out for your invoice.

Independent affiliates, please send your completed [Affiliate Renewal Form](#) to experts@lifesaving.org.

ACTION REQUIRED - Quarterly Stats Submission

In order to track activity levels in programs that do not have tests sheets we require affiliate delivery partners to submit program statistics on a quarterly basis.

Please submit your statistics through the following form: [Affiliate Statistics Request Form: Oct. 1 to Dec. 31, 2021](#)
