Re: Approval under Section 177 of Alberta’s Occupational Health and Safety (OHS) Code

DASH File Number: OHS-APP-001160

I have received a request dated November 2, 2022 to vary the approval given to the Royal Life Saving Society - Alberta and Northwest Territories Branch for workplace first aid training to reflect a new course name.

Under the authority given to a Director by Section 22 of the OHS Act, I am granting approval to Royal Life Saving Society – Alberta and Northwest Territories Branch subject to the following terms and conditions.

Terms and Conditions:

- This approval only applies to the following courses:

Course Name	Approval Level
Emergency First Aid CPR C & AED	Emergency/Basic First Aid
Standard First Aid CPR C & AED	Standard/Intermediate First Aid
Standard First Aid CPR C & AED Recert	Standard/Intermediate First Aid

- Royal Life Saving Society – Alberta and Northwest Territories Branch must ensure that:
 - All workplace first aid training adheres to the requirements of the CSA Standard Z1210-17 R2021, *First Aid Training For The Workplace – Curriculum and Quality Management For Training Agencies*.
 - A copy of this approval is available to employers, workers and other work site parties upon request.
- Royal Life Saving Society – Alberta and Northwest Territories Branch must ensure that it is able to meet of its obligations under the approval agreement signed with a Director of Medical Services, dated October 19, 2022, at all times.

General Requirements:

- In accordance with Section 22(4) of the *OHS Act*, the recipient must comply with this approval, including all terms and conditions, or comply with the original legislative requirement(s).
- All other requirements of the OHS legislation must continue to be met.

This approval expires on **October 19, 2027**.

Sincerely,

An electronic signature consisting of a blue ink scribble. Below the signature, the text "Electronically signed" is printed in a small, grey font.

Dr. Xiangning Fan, BSc, MD, FRCPC
Director of Medical Services
