## ADDITIONAL ACCOMMODATION OPTIONS FOR CPLC

---

April 17, 2024

Subject: Additional accommodation available for CPLC June 7-9, 2024

To all CPLC competitors, coaches, volunteers, judges and officials:

As we gear up for CPLC in Saanich BC, we have found alternative accommodations at a more affordable rate at the University of Victoria dormitory. [Visitor accommodation - University of Victoria \(uvic.ca\)](https://www.uvic.ca/visitorservices/visitoraccommodation/)

Click on the link for more information. Beds and rooms are single-occupancy. There is an option to have a group booking for your team that also includes the option to have 2 in each room.

The dormitories welcome youth athletes (18yrs and younger) but will require designated chaperones. The chaperone policy is as follows:

### **SUPERVISION/CHAPERONE RESPONSIBILITES**

Groups whose participants are 18 years of age and under are required to have chaperones at a ratio of one chaperone for every 10 youth. In our Cluster units we require one chaperone for every 3 youth per unit. Chaperones are adults, age 19 or older, who accompany and stay with a group of youth (persons 18 and under) during their stay. Chaperones are responsible for the behaviour and full supervision of each individual in the group at all times. Policy information will be provided to the Client regarding various procedures while living on campus – fire, emergency, contact information, lockout procedures etc. The chaperone must reside on the same floor as the participants they are supervising. The Client is responsible for communicating the identity of their designated chaperone to individual participants.

Please contact the university directly for booking options at 250-721-8657 or [visitoraccommodation@uvic.ca](mailto:visitoraccommodation@uvic.ca).

If you have any further questions or require additional assistance, please feel free to contact me at [olivern@lifesaving.bc.ca](mailto:olivern@lifesaving.bc.ca) at anytime.
